

Your Impact in 2023!

Putting Hope Within Reach

NATIONAL OVERVIEW

ATC's IMPACT

COMMUNITY OUTREACH

As ATC students' progress on their recovery journey with ATC, they 'pay it forward' by actively engaging with their communities. Beyond personal growth in their faith, students actively contribute to outreach efforts, including impactful activities like prison ministry, church engagement, school events, and community outreaches.

THANK YOU!

We are so thankful for the pivotal role our donors play in these life-changing outcomes. You can become a donor, too, by providing support for essential resources for those within our programs on their recovery journey, fueling impactful outreach efforts, and touching communities far and wide.

We invite you to partner with us. Your financial support will allow us to expand our reach, transform more lives, and bring light to those still in the shadows of addiction.

You can make a difference with Adult & Teen Challenge – together, we can provide hope and freedom through the power of Jesus Christ!
